

GUIDELINES FOR SPARE CURLERS

1. **Spare Curlers** sign in and pay the \$10 fee upstairs at the bar prior to start of the game. This includes Standard Members curling in a league other than their own.
2. We strongly encourage people to sign up on the **Spare List** with the Club Manager. The list will be available to Members.
3. **Spares** can curl any position except during **Playoffs** when Spares must play front end. Regular league play, 3 spares maximum. During playoffs, 2 spares maximum and again must play front end. Ultimately, a game played is better than a game cancel due to lack of curlers.
4. Premium members, Daytime Premium, Bantam and Junior Curlers fees allow All Access curling and do not pay Spare fee. Juniors can spare in the Adult Leagues. They can curl any position.
5. **Spares** must sign a **WAIVER** prior to their first game.
