

Lease Opportunity - Restaurant Facilities Kitchen Services

The **Fort Frances Curling Club** is a centre for lifelong curling as well as a venue for community events that includes weddings, socials, trade shows and so much more. The Club is run by a volunteer board on behalf of the membership. Kitchen Services falls under the direction of the House Committee. Club staff consists of the Club manager, bar staff, an Ice maker and ice technicians.

The **Fort Frances Curling Club** seeks a motivated individual/group to lease the restaurant facilities and fulfil the duties of Operator of Kitchen Services. Appliances, including gas grill, oven and deep fryer have been recently updated.

Duties include providing food service to curlers and the general public. The successful candidate will cater club events as well as public occasions/rentals as they arise. The restaurant has potential for hours and days beyond the curling schedule.

The term of contract to be determined. Curling season runs October to April. Facilities are leased to the Operator. Facility lease includes utilities. Lessor provides own Liability insurance. Previous kitchen management and cooking/culinary experience would be an asset. Work hours must be flexible.
